

Captains Meeting

January 7, 2009

Murphy's Law

Jeff Rapp called the meeting to order at 7:35 pm. He announced the general membership meeting will be held next Wednesday, January 14, 2009 at 7:30pm at Crossflites. Upcoming events include: The Winter Freeze-Livewires; Sweethearts-Rock Falls; Dart Classic Entry Raffles; CVDA Dart Classic and that Murphy's Law has started their Thursday Blind Draws again at 7:30. Jeff then opened the floor for motions/concerns for the next meeting:

1. Susan Davis has 2 motions in Rules of Play concerning membership: seasonal/annual wording and regarding gold PPA (see attached)
2. Randy St. John would like for it to be restated that if a team has two players present the start time is 7:30 pm.
3. Dan Williams has 3 motions regarding: "except Gold, .450 and PPA be refigured and published each week. . ." (see attached)
4. Discussion was held that PPA's be listed for All Star Players on List. Jeff said this is something that can and will be done as policy starting this new season.
5. Randy St. John and Tommy Harrell would like to see a Silver format change to better these players that may one day move up to Gold. They will have their idea in writing for the general membership meeting with the understanding that should it pass; it will not happen until Jan. 2010. (Format changes can only happen in January of the year following the season voted on; as sheets are printed for a whole year.)

There being no further business; Jeff adjourned the meeting at 8:20pm.
